Editor's Notes

This month the country celebrates the Platinum Jubilee of our Queen, Elizabeth II. Along with various street parties, the village is celebrating with a game of rounders and a 'bring your own picnic' on Thursday 2nd June at 2.30pm, on the fete field next to the church. The Mason's along with other village committees, are hosting events throughout the day on Saturday 4th June. Details will be displayed in the village noticeboards and the Long Marston Village Group on facebook.

I have received no children's birthdays from my plea last month. Please email marstoneditior@yahoo.com if you would like your child's birthday in the newsletter.

Helen Leedham is still selling tickets for An Evening of Comedy and Magic on Saturday 9th July, raising money for Alzheimer's. Tickets are £20 a head, which includes a sit-down supper. If you are interested, please call Helen on 722446 or email helen.leedham@btinternet.com.

Steph

Parish council comments

Our Annual Parish Council meeting was held on May 16th with the first item on the agenda being election of Chairman. We are pleased to confirm Cllr. Ian Johnsey will Chair again with Cllr. Tempest as vice chair. We thank them and all the Parish Council for the free time and commitment they give to serving the community.

The Council discussed the topic of bus shelters both in Long Marston and Meon Vale and will be assessing need, location, and costs as well as raising the matter with St Modwen. The item will be placed again on the next agenda.

We were disappointed to not have completed on the open space transfer (to the rear of Perry Orchard) prior to the May meeting. All transfer documents have been

signed only to find yet another delay due to access over the easement area in favour of Severn Trent. A separate land transfer is required from Lagan Homes to Severn Trent Water for the pumping station which is adjacent to the land to be transferred to Marston Sicca Parish Council. We protested to the Lagan Home solicitor as this should have been resolved months ago. Solicitors are now asking if Severn Trent would be happy to rely on the provisions that have been made in the lease agreement regarding access over the easement area. We should have further information for the next Parish Council meeting. In preparation of transfer, we are seeking further funding to help improve the site.

The Pavilion within Meon Vale continues to benefit the wider community as a multi-functional community centre. The Parish Council are in discussion with St Modwen regarding remedial work to the building to allow for increased capacity with improved menu and services. Funds earned from the coffee shop help to support the community schemes that operate from the site but serve the wider community, so a big thank you to all residents who visit and enjoy the fabulous coffee.

The Parish Council expressed their frustration at the lack of presence of our County Councillor. The Parish Council and our residents expect Councillors to be accessible and provide information on items that affect our parish. We are investigating why the communication line is so poor.

Cllr. Perteghella's report was as usual very informative. The main item was the confirmation that the merger has been called off. The reason appears to be because it would seem, the Stratford District Conservatives lack confidence in the Warwick District Conservatives. One of the main motivations for the proposed merger was the significant cost savings it would bring. The question now, aside from the costs incurred to reach this point, is if the anticipated cost savings are no-longer achievable, will services be impacted.

The Parish Council have been discussing CCTV cameras with St Modwen for Meon Vale including to the Pavilion (to reduce vandalism) which was also raised by Cllr. Perteghella. It would seem the Council have finally secured the S106 monies for the cameras.

With the Queens Jubilee approaching fast, the Parish Council have provided funds to help organise some activities in the Village Hall for June 4th. More information regarding 'what's on' will be published shortly.

PLANNING MATTERS

Application 22/01135/LDP, 2 Station Road, Long Marston.

Change of use of garden to facilitate the siting of a one- bedroom wooden mobile home in back garden. *Decision: Object due to lack of information. No information has been given as to its intended use.*

Application 22/01075/FUL, Meon Vale

Construction of a new children's play area to include a Neighbour Equipped Area of play (NEAP) and a Local Equipped Area for play (LEAP)

The Parish Council will be consulting with Meon Vale Residents Association.

Self/Custom Build Strategy Objectives Proposal SCB.6, land at Park House, Long Marston. This was supported by Marston Sicca PC and has now been included as a preferred site for approximately 10 dwellings.

Next Meeting – June 20th at Meon Vale Pavilion

Report from your District Councillor

Dear Residents

Hope you are all enjoying the warmer months.

I wanted to update you on what I have done the past year on your behalf at the District Council. I have worked to resolve problems and address issues, attended parish council meetings, reported back on district matters. I have kept in touch with residents through social media, emails, phone, and newsletter articles.

I have represented the views of residents at council and in committees, including speaking at planning committees, as well as Cabinet meetings, and have scrutinized, and when necessary challenged, the council's work and decisions, as well as new policies coming forward. I have proposed motions and written questions, and contributed to several national, local and council's own consultations. I sit on the Climate Change Panel and the Audit and Standards Committee, I've also sat on the Electoral Boundary Review working group, the Self Built and Custom Housing Task and Finish group, the Meon Vale Support Partnership, and I am proud to have joined the Council's own Respect Champions network. I'm, currently, Shadow Portfolio Holder for Culture, Tourism and Leisure and get regular briefings by the Head of these services.

Motion in support of Ukrainian refugees
On the 25th April, the District Council unanimously backed my motion in support of Ukrainian refugees. The motion asked the Leader of the Council to write to the Home Secretary to ease the rigid entry requirements, do more to enable councils and charities to be part of an ambitious and safe resettlement scheme, and reiterate the readiness of this Council to welcome refugees. This will send a strong message to government that more should be done and can be done.

Help with energy and heating for residents.
If you find yourself concerned about being able to heat your home, contact the charity Act on Energy for advice. Tel. 0800 988 2881 or email at advice@actonenergy.org.uk to find out how they can help. From April this year the governments sustainable warmth grant funded programmes will commence and some residents are likely to be eligible to apply. Act on Energy is coordinating these grants.

"123plus" new waste collection will start in August 2022. Between April and June, residents will start receiving their external food waste bin and internal kitchen caddy. An information booklet and collection calendar will be posted through the door.

The larger food waste bin is 23 litres and has a lockable lid to deter pets and pests. The smaller bin (caddy) is 7 litres for householders to use in the kitchen, before transferring the contents into the outdoor bin for collection. For hints and tips on how to reduce food waste please visit www.lovefoodhatewaste.com

The council is advising to place items such as pet waste, nappies, and absorbent hygiene products in a tied bag. Store bins out of direct heat to reduce smells. Bins can also be rinsed out with disinfectant

after emptying. Some households which meet specific criteria will be able to request additional capacity.

I continue to raise residents' concerns regarding the waste collection (in particular, the black bin collection), and have requested for a meeting with Cllr Shenton, the Portfolio Holder, to see how these can be addressed and how residents can be reassured.

The merger between SDC and WDC has been called off!
Months of hard work from the officers of both councils have been wasted, and much uncertainty has been caused amongst staff – all at considerable expense. One of the chief motivations for adopting a joint council was to make significant cost savings, forced on councils by the Government. With the merger now abandoned, major questions need to be answered:

Significant cost savings were hoped for - indeed this was the compelling case behind the merger – how will the Council budget be affected going forward?

Will there have to be further cuts to essential services as a result of the merger been called off?

How much have the consultations, the reports, and officers' time cost the taxpayer?

What about the budget? The budgets of both councils were based on an assumption of 2 percent inflation. Inflation is now much higher at a level of 9 percent – the highest for 40 years. Both councils will now have to take stock, rework their budgets and set a new direction.

Long Marston Garden Village sustainable transport feasibility study
As some of you might know, a study has been commissioned by Warwickshire County Council, Stratford District Council and Homes England, to see whether the Garden Village can be made more sustainable in terms of transport. The stakeholder engagement workshops have now ended and I look forward to the recommendations of the study.

Queen's Platinum Jubilee I'm looking forward to celebrating the Queen's Jubilee. Whatever plans you have, have a wonderful bank holiday!

Councillor's surgery, Save the Date! Finally, I will be holding a ward-wide councillor's surgery and coffee morning on Saturday 18th June, 10:30am-12:30pm at the Welford and Weston Memorial Hall, High Street. Welford on Avon.

There will be coffee, tea and cake, as well as a book sale. Do come to let know of any issue, pop in to say hello, and if you are new to the village, I would love to meet you.

As usual, please don't hesitate to contact me with any query, issue or concern you might have.

Warmest best wishes, Manuela

Cllr Manuela Perteghella

Village Hall News & Events

Sadly, **Pete Barrett** will be stepping down from the committee due to work commitments. We're so grateful for all Pete's done to support the work of the hall, particularly his marvelous face lift of the hall's interior which has now been accessorised with some Jubilee bunting. If you'd be interested in joining the **Village Hall Committee** do get in contact with Diana for a chat. The more the merrier! It's a great way to contribute to village life and isn't too time consuming.

On a happier note, we've now taken delivery of a set of **air purifiers**. They can be run throughout events with little noise, helping to make things as safe as they can be. They're particularly useful on cooler days when you might not want all doors and windows open.

Join us for family fun this month with **Punch & Judy** on 5th June and our screening of **Missing Link** on 25th as well as the usual regulars. We hope to see you soon!

Cat Price, Village Hall Committee

VILLAGE HALL FILM NIGHT

Queen Elizabeth II – some fun facts

On 21 April 2020, Queen Elizabeth II turned 94! From creating her own breed of dog to sending 50,000 Christmas cards, Her Majesty's certainly been busy over the years.

15 facts about the Queen

1. **Queen Elizabeth II was born at 2.40am on 21 April 1926 to parents the Duke and Duchess of York, who later became King George VI and Queen Elizabeth (the Queen Mother).**
2. **She was crowned Queen on 2 June 1953 watched by a TV audience of 20 million people.**
3. **She is the longest reigning monarch ever in Britain, beating even Queen Victoria, (her great-great-grandma!).**
4. **As Queen, she has been served by 14 UK Prime Ministers**
   Including Winston Churchill, Margaret Thatcher and more recently, Boris Johnson.

5. **Her favourite dogs are corgis**
   She even invented a new breed of dog when her corgi mated with a dachshund belonging to her sister, Princess Margaret, creating the "dorgi".
6. **She's the only person in the UK allowed to drive without a licence**
   And she still drives to this day!
7. **The Queen has two birthdays: Her actual birthday – 21 April – and her official birthday, which is held on the second Saturday in June – when the weather's better!**
8. **The Queen's birthplace is now a fancy Cantonese restaurant called Hakkasan, at 17 Bruton Street in Mayfair – we hope she likes a takeaway!**
9. **The Queen first sent an email in 1976 … and published her first Instagram post in 2019!**
10. **She has many hobbies including horse riding, pigeon racing, and football – she's an Arsenal supporter!**
11. **Queen Elizabeth became a homeowner at just six years old when the people of Wales gifted her a house in the grounds of Windsor's Royal Lodge. Named Y Bwthyn Bach, it means "little cottage".**
12. **The Queen has sent around 50,000 Christmas cards – and counting!**
13. **She owns an elephant, two giant turtles, a jaguar and a pair of sloths - presents from other countries, all of which live in London Zoo.**
14. **Princess Elizabeth made her first radio broadcast in October 1940, during the Second World War.**
15. **Even the monarch can go undercover sometimes**
    On a recent low-key trip to Scotland, she met some American tourists while walking. When the tourists asked if she lived locally, she mentioned that she had a house nearby, and when asked if she'd ever met the Queen she simply pointed at her security and said, "No, but he has!"

Scouts

1st Welford on Avon

I am sorry to say that we have had no success in recruiting new leaders and so we will be closing our Beaver Colony in December – we've chosen this date so that all of our existing Beavers can move up to Cubs either at the end of the Summer Term or the Autumn Term (depending on their age).

And so for this term and next term we will be working on helping as many Beavers (and those Cubs who have recently moved up from Beavers) as possible complete the 6 Beaver Challenge Awards and 4 Activity Badges and so earn their Bronze Chief Scout's Awards.

Although we are no longer accepting Beaver age youngsters, we do have spaces for Cub age youngsters – girls and boys who are aged 8 to 10, plus anyone who is approaching their 8th birthday. Please email me at welfordscoutgroup@yahoo.com if your child would like to come along and try Cubs.

Before Easter our Cubs and Beavers had great fun taking part in pioneering activities lead by Stuart, our Scout Leader. They started by learning how to tie various types of knots. Then the Cubs and Beavers worked in teams to construct a set of ropes which they used "rescue" our young leaders. (Thank you to our brave young leaders!) The Cubs and Beavers also made catapults out of lollypop sticks and elastic bands and were remarkably accurate at firing pompoms into buckets from a distance.

First aid responders visited both the Cubs/Beavers and the Scouts and ran excellent sessions teaching our youngsters what to do in an emergency and how to do basic first aid.

The Cubs and Beavers finished

the term by sewing Easter cards. I must admit that it was much easier running this activity in person rather than via zoom (as we had to do last Easter)!

Avonvale Churches

Anglican Churches serving Quinton with Admington,
Long Marston, Meon Vale, Welford and Weston

As a group of churches, we share worship each week.

Do come along to any church - you will be very welcome.

1st Sunday of the month
Long Marston Church Holy Communion at 9am
Welford Church Family Communion at 10.30am
Quinton Church 'Altogether' Family Service at 10.30am
(starts with refreshments)

2nd Sunday of the month
Weston Church Holy Communion at 9am
(Book of Common Prayer 'said' service)

Quinton Church Holy Communion at 10.30am

Welford Church 'Open Doors' at 10.30am
(a contemporary service starting with refreshments)

Meon Vale Village Hall Family Worship at 4pm
(with crafts and light tea)

3rd Sunday of the month
Welford Church Holy Communion at 9am

Long Marston Church Family Breakfast Service at 10.30am
(starts with refreshments)

4th Sunday of the month
Weston Church Holy Communion at 9am
(Book of Common Prayer usually with hymns)

Quinton Church Holy Communion at 10.30am

Welford Church '4th@4' Messy Church
for all the family at 4pm *(with crafts and light tea)*

5th Sunday of month
When there is a 5th Sunday we worship together in one of our churches

4th Wednesday of the month
10.30am Holy Communion (said) in Welford Church

Further information from achurchnearyou.com

Who are you walking with?

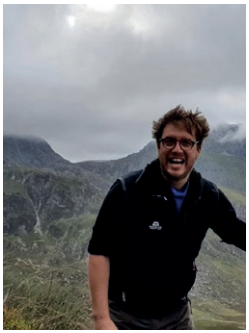

I am a big fan of getting away to and exploring the hills and mountains, and in a normal year the late May bank holiday presents an opportunity for this.

Usually, much of my extended family descend on a farmhouse for a walking holiday in the Brecon Beacons for the week. I think at last count, this year there will be about 45 of us, and this time it will be particularly special as we haven't been able to gather for the last two years due to various COVID lockdowns and restriction.

One of the lovely things about heading out into the hills together is being able to walk and talk. Walking, talking and listening always seem to work well together, and without a doubt, in my family, politics and life events are always forefront of the discussion. This year I am sure 'Partygate', 'Beergate' and the terrible atrocities in Ukraine, (which unfortunately I expect won't have disappeared) will be being discussed and debated on the Welsh hills.

Following Easter, the church's bible readings focus in on people's experiences of Jesus following his resurrection. One such experience happens on the Emmaus Road. Two of Jesus' followers have left Jerusalem after seeing Jesus beaten, hung on the cross and then laid to rest in the tomb. They were most likely desperate to get home, so upset with the grief of having lost such a special friend; someone whom they thought would change their 'world'.

As they walk, they meet the risen Jesus, although they are kept from recognising him. Jesus offers to walk with them and as he does, they pour out their hearts to him; their hope, their loss, their misery at all that they had experienced in Jerusalem. And, as they walk and talk, Jesus helps them reflect on their experience, and also reflect and reinterpret the Hebrew scriptures (the church calls this the Old Testament) that showed that what they experienced fulfilled the writings they knew so well.

Through the centuries, Israel had interpreted the scriptures to mean that the Messiah, would redeem them from suffering, but actually the story is of how God redeems all through suffering, the suffering of Jesus.

As the two travellers near their destination, still not recognising him, they invited Jesus to stay with them, to eat and rest, and it was at the table, as Jesus gave thanks and 'broke bread' (which they would have last seen him do at the 'last supper' meal before his betrayal and arrest) that they recognise him for who he is. So overjoyed with their encounter, they rush back to Jerusalem to tell the disciples and other followers of their walk with Jesus.

At the beginning of June many of us will be marking Queen Elizabeth's Platinum Jubilee with celebrations in our local communities. It is of course a truly remarkable reign, but one thing the Queen has been very open about over the years has been the importance of her Christian faith; her own personal walk with the risen Jesus.

The truth is that the Emmaus Road story doesn't finish where I left off for any of us, whether we are royalty or not! As we walk our journeys of life, Jesus also wants to walk with us; with you and with me too, through the good times and the challenges. We just have to ask Him.

If you have any questions about the Christian faith or anything else, we are always happy to chat.

Jim

Reverend Jim Edie
Assistant Curate of Quinton, Welford, Weston, Marston Sicca and Meon Vale

Save the date

Our Rector, Ros Greenhalgh, will be retiring in July. While we are very sad to see Ros and Tim go, we are looking forward to giving them a good send-off as we celebrate their time with us. We would love to invite you to join us for Ros' final service at St Swithin's, Lower Quinton, followed by a picnic lunch at Quinton Village Hall on 10 July.

There will be more information in next month's magazine, but for now do save the date!

Kids Joke Corner

What is the most expensive fish called?
Gold fish

What is a bear with no teeth called?
Gummy bear

What is a sad strawberry called?
A blueberry

Where should you go to learn how to make ice-cream?
Sundae school

The Poppin

What an exciting month we have ahead of us with the Queens Jubilee and extra days off!

Please be aware that the opening times in the shop will be shorter due to this.

Thursday 2nd June	9am – 10am
Friday 3rd June	9am – 11am
Saturday 4th June	9am – 11am
Sunday 5th June	9am – 11am

For a very limited time we have the tastiest cauliflowers in the country, locally grown by Lawrence. If anyone has had our tomatoes (which will be in later in the year) you will know that the quality is guaranteed. They don't take long to cook and at only £1.20 you are in for a treat!

Fun ice-creams for the children are in now, ready for the holidays plus all the old favourites.

To avoid disappointment, please order any breads, pastries and cakes which we have daily, Monday to Saturday, from our local Bakeries.

Any special requests that you might have, please do not hesitate to ask, if we can, we will get it in for you.

May we wish all our customers a very happy and fun filled Jubilee weekend.

Margaret Clarke

The Residents' Association (MVRA) Report

Forthcoming Events at Meon Vale

- Meon Vale Queen's Platinum Jubilee celebrations 5 June - Come and join us for a big community family party by The Pavilion with games, music and food.
- Summer Meon FUNFEST with live music and stalls 13 August

The MVRA Celebrates its First Anniversary and a year of achievements

We carried out a survey of residents to find out what's important to us and prepared our Community Plan. We have secured over £14,000 of grant funding in our first year from Sport England, WCC and SDC. This has supported new sports activities in the Leisure Centre, helped to green the new village with compost bins and water butts, purchased new tables and catering equipment for the village hall. We have also undertaken an accessibility survey to identify the problem crossing points, organised Easter and Halloween trails in the woods, and the held the Community Safety Day. The allotments have been opened (with thanks to Marston Sicca PC).

We are currently working with Quinton, Marston Sicca and Pebworth Parish Councils to ensure that the concerns of residents in Meon Vale are taken into account. We are looking at the future of our community facilities and the woods to ensure that they are improved to be fit for purpose, and to work out suitable management arrangements for the future when the development is complete. We have commented on planning applications for the next stages of the new village to ensure that they are well designed and enhance the village.

The MVRA website is now live at www.meonvalera.org . We're also on Facebook so make sure you follow us and stay up to date with everything that's going on in the community www.facebook.com/MeonValeRA

The MVRA is looking for volunteers, if you have any spare time and wish to meet new people and want to help make our community a better place to live, please email: meonvaleresidents@gmail.com.

Richard Whittaker MVRA

Our May Meeting was held in the Mason's Arms Skittle Alley. We were joined by family and friends.

We started with a serious issue, that of a W.I. National Resolution concerning Women and girls with ASD and ADHD who are often under identified, mis-diagnosed and under supported. This was an area that our members could closely identify with as we had an excellent talk, earlier in the year, from one of our members who has an autistic child. We discussed the issue in small groups and passed on our opinion to Nancy, who will represent us at the WI National Conference.

Then came the fun part! We all had a go at knocking down the Skittles, amidst lots of cheers and encouragements. Excellent Scampi and Ham Suppers were then served, after which the raffle was drawn. This was followed by a game of Knockout Skittles. Clare was declared our Champion and rewarded with a small prize.

It was great to be back in the pub, the first time in 2 years due to Covid.

Our June Meeting on Weds 8th will be a Jubilee Celebration. We will dress in red/white/blue and meet for a Garden Party in Lisa's lovely home in Harvington by the river.

We also have a **Car Rally on Sat. June 18th** and a **Group Meeting at Broom on Tues 21st** to look forward to. We are preparing a Peter Rabbit Display for the Group Meeting.

A very busy month for our members.

Liz Marcuse

Long Marston Ladies

Long Marston Ladies were left in awe and admiration after Miles Northwood and his guide dog Nushka told of his life after becoming blind as a small child. Not wanting a guide dog, he was persuaded to "test drive" one, and shortly after became a proud owner of a German Shepherd guide dog for the blind. Miles has tackled many sports nothing holding him back. A true inspiration.

Next month's talk is *"Up in the clouds"* by Alan Brewer.

Our meetings are the first Wednesday of the month at 7.30pm.

Long Marston Ladies
longmarstonladies.co.uk

Dave Taylor

Is it with huge sorrow that Dave Taylor passed away (aged 48), on May 12th in Phuket, Thailand from Septicaemia. Dave had lived in Long Marston since he was ten years old and attended Chipping Campden School. Most of you will remember him for his great sense of fun, and effortless ability to make friends with everyone he met. He leaves behind his wife Achara and two year old son Charlie. He will be missed by all.

The Taylor family would like to invite those who were close to Dave to join us in remembering him at Church Farm, Long Marston on Saturday 6th August 2022. (More details to follow).

Quinty, Charlie's godfather, has also set up a non-obligatory fundraiser to help towards Achara and Charlie's future, as I know a lot of you have asked how you can help. The link is Quinty Bartlett on www.justgiving.com.

Meon Vale Children and Family Partnership

Isn't it frustrating when you can clearly spot local issues, have a good idea for a local initiative, or simply just want to make a difference - but you don't know how to take it any further? I've met a number of people in our local community who have some great ideas, particularly around issues affecting children, young people and families, who would fall into that category. The irony is, I've also met a number of people working for the Council, local charities and other community organisations that want to work on these types of issues, but need local people to help them figure out what needs doing and the best way to go about it. If only we could connect the two, it would have real potential to bring positive change in our community!

Meon Vale Church has therefore been working with Barnardos and other community organisations to do just that by establishing the Meon Vale Children and Family Partnership. Our hope is to provide a forum where local people have the opportunity to say what they think the priorities are for the services, activities and opportunities in our community for children, young people and families. The idea is that local people set the agenda, and then work side by side with the people and organisations that can make it a reality. We're quite a new partnership, but already we've begun some work around local childcare provision, supporting families with rising living costs, and supporting people who want to set up new community groups and activities.

For the partnership to work though, it really needs local people from the community to join in, so we'd love to hear from you if you're interested in being involved. We know that time is precious, especially if you have a young family, so there are only four main meetings a year and we are trying to find flexible ways for people to join in to make it a manageable commitment.

The partnership is open to anyone in the local community, and whatever you are able to offer, we'd love for you to join us in making Meon Vale an even better place to raise a family.
